Maximising YOUR Performance

15 Feb 2018
Swalec Stadium, Cardiff

Aimed at doctors & other healthcare workers
this one day event looks at how to maximise your performance through human factors training and improved teaching and learning.

WHAT YOU WILL LEARN?
Peer delivered by Dr Mark Stacey and a host of experts from DNA Definitive, the event will include sessions on:

- How to teach
- Learning physical skills
- Effective feedback
- Decision making
- Kinaesthetics
- Stress management
- Leadership
- Dynamic recovery
